

We are just a few weeks out from our Men's Conference. It is shaping up to be a wonderful experience for the men. We have been planning an empowering encounter for everyone, and I know this is going to be exciting. Today we will do a mass registration and I hope that each of our men will sign up. The men will be stationed in various locations to receive your registration. Ladies you might want to register a brother for the conference. Our men have worked out a partnership with McDonald's that is awesome. I will say more about it in the service.

We are in full gear with our ministries and each night the church is open with activities. I hope that you will become involved in one of the ministries. You will make new friends and find a place for service. Come out and test the waters. Become involved and watch yourself grow. I hope to see you this week in Bible Study. Each of us needs to enroll in a growth experience. I think you will be blessed in class.

We are seeking to become a total tithing church. God gives us that command and through it we do grow and come to appreciate His work in our lives. Tithing means we give 10% of our income to the kingdom work. That seems like a challenge, but it is also a great blessing. Become a tither and watch God bless you.

This afternoon we go to be with Dr. Leah White at Greater Faith Baptist Church. Come and join us.

Now, let's have church!
